## About Me

Dr. Froswa' Booker-Drew is the President and CEO of Soulstice Consultancy providing philanthropic guidance, community engagement strategies, leadership development, and organizational culture support for companies and nonprofits. She is also the founder of the Reconciliation and Restoration Foundation, a nonprofit designed to amplify, support, and fund the work of Black-led nonprofits. She is also an adjunct faculty member at Tulane University and a research affiliate at Antioch University. Froswa' is the author of four books including the most recently published, *Empowering Charity: A New Narrative of Philanthropy*. She is also co-founder of HERitage Giving Circle, one of the first Black Women Giving Circles in the state of Texas and co-founder of both Power in Action-Dallas and the South Dallas Employment Project.

# Specialties

Asset Mapping through GIS helps organizations and institutions to determine where services exist, especially grassroots nonprofits, to determine gaps with the goal of using philanthropic dollars to make a significant impact and change.

Building leaders Building community engagement strategies and Partnership Brokering in order to build bridging social capital and establish an ecosystem of partners that include philanthropy, nonprofits, faith communities, government, and business.coaching and training to increase capacity, collaboration, and community partnerships

Building leaders through coaching and training to increase capacity, collaboration, and community partnerships

## Mission & Vision Statement

Soulstice is designed to solve community challenges through the use of tools based on decades of experience and expertise to support community capacity through collaboration with leaders and organizations.
